I Just Wanna Live by Good Charlotte

	l just wanna live
I need an alarm system in my house	Stop your messing around boy
So I know when people are creeping about	Better think of your future
These people are freaking me out (these days)	Better make some (6) plans boy
It's getting hectic everywhere that I go	Said every one of my teachers
They won't leave me alone	Look out, you better play it safe
There's things they all wanna know	You never know what hard times will come your way
I'm paranoid about the people I meet	We say, where we're coming from
Why are they talking to me	We've already seen the worst that this life can bring
And why can't anyone see	Now we expect it everywhere that we go
I just wanna live	All the things that they say
Don't really care about the things that they say	Yeah we already know
Don't really care about what happens to me	I just wanna live
I just wanna live	Don't really (7) about the things that they say
(Just wanna live, just wanna live, just wanna live)	Don't really care about what happens to me
(Just wanna live, just wanna live, just (1) live)	(Just wanna live, just wanna live, just wanna live)
I rock a law suit when I'm going to court	I just wanna live
A white suit when I'm getting divorced	Don't really (8) about the things that they say
The black suit at the funeral home	Don't really care about what happens to me
And my (2) suit (3) I'm home	(Just wanna live, just wanna live, (9) wanna live)
alone	I just wanna live
Talking on the phone	(Just wanna live, just wanna live, just wanna live)
Got an interview with the Rolling Stone	I just wanna live
They're saying	(Just wanna live, just wanna live, just (10) live)
"Now you're rich and now you're famous"	Don't really care about the things that they say
"Fake ass girls all know your name and"	(Just wanna live, just wanna live, just wanna live)
"Lifestyles of the Rich and Famous"	Don't really care about what happens to me
"Your first hit, are you ashamed?"	I just wanna live
Of the life, of the life, of the life we're living	
I just wanna live
