

Fill in the gaps

The Logical Song (Live) by Roger Hodgson

When I was young
It seemed that life was so wonderful
A miracle
(Oh) it was beautiful, magical
And all the (1)_____ in the trees
Well, they'd be singing so happily
(Oh) joyfully
(Oh) (2)_____ watching me
But then they sent me away
To teach me how to be sensible
Logical
(Oh) responsible, practical
And then they showed me a world
Where I could be so dependable
(Oh) clinical
(Oh) intellectual, cynical
There are times when all the world's asleep
The questions run too deep
For such a simple man
Won't you please
Please tell me what we've learned?
I (3)_____ it sounds absurd
Please (4)_____ me who I am
I say, now watch what you say
Or they'll be calling you a radical

A liberal
(Oh) fanatical, criminal
(Oh) won't you sign up your name?
We'd like to feel you're acceptable
Respectable
(Oh) presentable, a vegetable
(Whoa) take it, take it, take it (yeah)
But at night when all the world's asleep
The questions run so deep
For such a simple man
Won't you please
Please tell me what we've learned?
I know it (5)_____ absurd
But (6)_____ (7)_____ me who I am
Who I am (come one)
Who I am
Who I am (yeah)
...
'Cause I'm (8)_____ so logical
...
(Oh) it's getting unbelievable
...

Answer

1. birds
2. playfully
3. know
4. tell
5. sounds
6. please
7. tell
8. feeling
