All This And Heaven Too Good Quality by Florence + The Machine

And the heart is hard to translate
It has a language of its own
It talks and (1)_____ in (2)_____ sighs
In (3)_____ and proclamations
In the (4)_____ (5)_____ of great men
And the smallest of gestures
In short shallow gasps
But with all my education
I can't (6)_____ to (7)_____ it
And the words are all escaping
Coming back all damaged
And I would put them back in poetry
If I'd only knew how
I can't seem to understand it
I would give all this and heaven too
I would give it all if only for a moment
That I could just understand
The meaning of the word you see
'Cause I've been scrawling it forever
But it never makes sense to me at all
And it talks to me in tiptoes
And it sings to me inside
It cries out in the (8)_____ night
And breaks in the morning light
But (9)_____ all my education
I can't seem to command it
And the words are all escaping

Come (10)_____ all damaged
I would put them back in poetry
If I'd only knew how
I can't seem to understand it
And I would (11)_____ all this and heaven too
I would give it all if only for a moment
That I could (12)_____ understand
The meaning of the word you see
'Cause I've been (13)_____ it forever
But it never makes sense to me at all
And I would give all (14)_____ and heaven too
I would give it all if (15)_____ for a moment
That I could just understand
The meaning of the word you see
'Cause I've been scrawling it forever
But it (16)_____ makes (17)_____ to me at all
No (18)_____ are language
It doesn't (19)_____ such treatment
And all my stumbling (20)_____ never amounted
To anything worth (21)_____ feeling
All this heaven
Never (22)_____ (23)_____
(24)_____ a feeling as I'm in
Words (25)_____ never so useful
So I'm screaming out a language
That I never (26)_____ existed before
