But I couldn't stay away

Fill in the gaps

Someone Like You (Cover) by Boyce Avenue

I heard	I couldn't fight it
That you're settled down	I hoped you'd see my face
That you found a boy	And that you'd be reminded (6) for me
And you're married now	It isn't over
I heard	Never mind, I'll find someone like you
That your dreams came true	I wish nothing but the best for you too
Guess she gave you things	Don't forget me, I beg
I didn't give to you	I remember you said
Old friend	Sometimes it lasts in love
Why are you so shy	But sometimes it hurts instead
It ain't like you to (1) back	Sometimes it lasts in love
Or hide from the light	But sometimes it hurts instead
I hate to turn up out of the blue uninvited	Nothing compares, no worries or cares
But I couldn't stay away	Regrets and mistakes they're memories made
I couldn't fight it	Who would have known how
I hoped you'd see my face	Bittersweet this would taste
And that you'd be reminded (2) for me	Never mind, I'll (7) someone (8) you
raid that you a be reminded (2) for the	, (),
It isn't over	I wish (9) but the best for you too
It isn't over	I wish (9) but the best for you too
