| I (1) three times my body   |  |  |  |
| l worry   |  |  |  |
| I throw my fear around  |  |  |  |
| But this morning  |  |  |  |
| There's a calm I can't explain  |  |  |  |
| The rock candy's melted only diamonds now remain  |  |  |  |
| (Ooh ooh ooh)   |  |  |  |
| By the time I (2) this moment   |  |  |  |
| This moment will be gone  |  |  |  |
| $\mathbf{D}_{i}(\mathbf{L}, 0)$ has defined as  |  |  |  |
| But I (3) bend the (4) pretend  |  |  |  |
| That it (5) lingered on   |  |  |  |
|   |  |  |  |
| That it (5) lingered on   |  |  |  |
| That it (5) lingered on<br>Well all I got's   |  |  |  |
| That it (5) lingered on<br>Well all I got's<br>(Ooh ooh ooh)  |  |  |  |
| That it (5) lingered on<br>Well all I got's<br>(Ooh ooh ooh)<br>And I will wait to find   |  |  |  |
| That it (5) lingered on<br>Well all I got's<br>(Ooh ooh ooh)<br>And I will wait to find<br>If this (6) last forever   |  |  |  |
| That it (5) lingered on<br>Well all I got's<br>(Ooh ooh ooh)<br>And I will wait to find<br>If this (6) last forever<br>And I will wait to find  |  |  |  |
| That it (5) lingered on<br>Well all I got's<br>(Ooh ooh ooh ooh)<br>And I will wait to find<br>If this (6) last forever<br>And I will wait to find<br>If this will last forever                       |  |  |  |
| That it (5) lingered on<br>Well all I got's<br>(Ooh ooh ooh)<br>And I will wait to find<br>If this (6) last forever<br>And I will wait to find<br>If this will last forever<br>And I will pay no mind |  |  |  |

## Fill in the gaps

| It's not supposed to                      |                          |  |
|---|--------------------------|--|
| Is there a second in time I looked around |                          |  |
| Did I sail (8) c                          | or drop my anchor down?  |  |
| Was (9) en                                | ough to kiss the ground? |  |
| And say I'm here now                      |                          |  |
| And she's here now                        |                          |  |
| (Ooh ooh ooh ooh)                         |                          |  |
| (Ooh ooh ooh ooh)                         |                          |  |
| So much wasted in the afternoon           |                          |  |
| So much sacred in the month of June       |                          |  |
| How about you? (Oh)                       |                          |  |
| And I (10) wait to find                   | l                        |  |
| If this will last forever                 |                          |  |
| And I will wait to find                   |                          |  |
| That it won't, and it won't, it won't     |                          |  |
| And I will pay no mind                    |                          |  |
| Worry about the rainy weather             |                          |  |
| And I will waste no time                  |                          |  |
| Remaining in our life together            |                          |  |
|   |                          |  |
|   |                          |  |
