Lose Yourself by Eminem

Fill in the gaps

Look, if you had one shot, or one opportunity
To seize everything you ever wanted in one moment
Would you capture it, or just let it slip? Yo
His palms are sweaty, knees weak, arms are heavy
There's vomit on his sweater already, mom's spaghetti
He's nervous, but on the surface he looks calm and
(1)
To drop bombs, but he keeps on forgettin'
What he wrote down, the whole crowd goes so loud
He opens his mouth, but the words won't come out
He's chokin' how, everybody's chokin' now
The (2) runs out, time's up, over. Blow!
Snap back to reality, oh, there goes gravity
Oh, there goes Rabbit, he choked, he's so mad
But he won't give it up that easy, no, he won't beat it
He knows his whole back's to these ropes, it don't matter, he's
dope
He knows that, but he's broke, he's so stagnant that he knows
When he goes head to his mobile home that's when it's
When he goes back to his mobile home, that's when it's
Back to the lab again, yo, this whole rhapsody,
He better go capture this moment and hope it don't pass him
You better lose yourself in the music, the moment
You own it, you better (3) let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
