## Tattoos on this town by Jason Aldean

And to this day up on (4) overpass (17) everything we did   (5) underneath the new paint, you can still see: "Allie (6) you marry me?" (18) down,   "Allie (6) you marry me?" (19) tattoo's on this town   (7) a ride, look around Like tattoo's on this town   There ain't no doubt Everywhere, (20) we are   It sure left it's mark on us, It (21) me right, in my heart   We sure left our mark on it It sure left it's (22) on us,   We let the world know we (8) here we sure left our mark on it   With everything we did We let the world know we (23) here   We laid a lot of (9) down (24) everything we did   Like tattoo's on (10) town We (25) a lot of memories down,   There's still a rope burn on the old branch, But we'll always be hanging around   that hangs over the river, I still got the scare (26) tattoo's on (27) town   There ain't a corner of this hallowed ground, Like tattoo's on (27) town	There's (1) black marks on that county road	It's everything we're made of
And (3) on the summer rain We let the (16) know we were here   And to this day up on (4) overpass (17) everything we did   (5) underneath the new paint, you can still see: We laid a lot of (18) down,   "Allie (6) you marry me?" (19) tattoo's on this town   (7) a ride, look around Like tattoo's on this town   There ain't no doubt Everywhere, (20) we are   It sure left it's mark on us, It (21) me right, in my heart   We sure left our mark on it It sure left it's (22) on us,   We let the world know we (8) here we sure left our mark on it   With everything we did We let the world know we (23) here   We laid a lot of (9) down (24) everything we did   Like tattoo's on (10) town But we'll always be hanging around   Thare's still a rope burn on the old branch, But we'll always be hanging around   that hangs over the river, I still got the scare (26) town   (11) swinging out a little too far Like tattoo's on (27) town	(2) we drag raced our pick ups	It (14) left it's mark on us,
And to this day up on (4) overpass (17) everything we did   (5) underneath the new paint, you can still see: We laid a lot of (18) down,   "Allie (6) you marry me?" (5) underneath the new paint, you can still see: We laid a lot of (18) down,   "Allie (6) you marry me?"
