

Fill in the gaps

Up by Jason Mraz

A little like Gene Wilder now
Coming out of the tower now
In a glass elevator that
could take you all the way to the sky
Ain't (1)_____ to fool you now
I got (2)_____ to lose and no how
So be in it with the limitless
image of the intimate
figure what you're giving is love
All you need is love
Ain't it nice to get out of here?
Already out of the atmosphere
Well if the glass ever (3)_____
well it wouldn't really matter
it's our love that is lifting us up
All you need is love
We're going up, up, up
We're flying away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never coming down
because we're living it up
we're living it up, yeah
What happens when your light goes out
No one's (4)_____ to give you mouth to mouth
Don't let the (5)_____ down trouble you
and claim that a brother need's a hero now
Because I know, you know
because once you know you'll always know
It's your own, your own, your own love
that gets you where you wanna go
We're going up, we're flying away

Never coming down
Taking the ceiling out
We're going up, we're flying away
We're taking the higher route
That's because we're living it up
we're living it up, yeah
(6)_____ it's good
and I don't mean good enough
when it's really love
Well you can just rise above anything
it's our destiny, yeah
A little like Gene Wilder now
Coming out of the tower now
In a glass elevator (7)_____ could take you
all the way to the sky
For going up, for (8)_____ away
We're taking the higher route
We're taking the ceiling out
We're going up, we're flying away
Never coming down
Because we're living it up, living it up
We're going up, flying away
taking the higher route
taking the ceiling out
We're (9)_____ up, we're flying away
Never coming down
Because we're living it up, (10)_____ it up
we're living it up, living it up
All you need is love
Love is all you need

Fill in the gaps

Answer

1. trying
