## Days are forgotten by Kasabian

Hey son	I'm waiting
I'm looking forward	I'm waiting
You're leaning backwards	Right (9) now
Of (1) I'm sure	I'm waiting
Have you had enough?	For someone
Are you (2) rough?	Or something
Does your (3) hurt?	To take me
Well if it's warm	To take me over
Cos I am (4) back what's mine	Days
I am taking back the time	Days are forgotten
You may call it suicide	Now it's all over
But I'm being (5) again	Simply forgotten
I'm waiting	How to disappear
I'm waiting	Days
Right (6) now	Days are forgotten
I'm waiting	Now it's all over
For someone	Simply forgotten
Or something	How to disappear
$T_{0}$ (7) mo	I saw (10) out there on the darkest
To (7) me	
To take me over	star
To take me over	star
To take me over Days	star You were sent home
To take me over Days Days are forgotten	star You were sent home Chewing on monkey brains
To take me over Days Days are forgotten Now it's all over	star You were sent home Chewing on monkey brains I am not here
To take me over Days Days are forgotten Now it's all over Simply forgotten	star You were sent home Chewing on monkey brains I am not here I'm just a silhouette
