

Fill in the gaps

Little in the middle by Milow

You always wanted to be
Part of a circus company
For the fun and death defying
But in time you (1)_____
life is small in the big top
And your dreams were slowly dying
What you wanted was not a crime
You could've done it
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps (2)_____ head from spinning round
Jugglers walk on the wire
Lions (3)_____ through hoops of fire
As the acrobats go flying
But what's the show all about
When did your north get turned to south
And the truth (4)_____ to lying
What you wanted
was not a crime
You could've done it
but you needed time
Now you're always just a little

A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning...
But it's a hole you're digging
A hole you're digging
you're (5)_____ it despite
the so much more you're missing
More you're missing
to your left and to (6)_____ right
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps (7)_____ head from spinning round
It keeps your head from (8)_____ round
And round, and round
It keeps your head (9)_____ spinning round...
