One night stand by Sick of Sarah

I'll make you wonder
I'll make you wonder now
Give your fingertips a break
I'll take you under
I'll make you wonder now
I'll make you wonder
Give your fingertips a break
I'll take you under
I'll take you under
And when it (1)_____ back into night
You'll ask me if I want to play
Come and chase me through the night and
Feel this fine line escalate
I'll make you wonder
I'll make you wonder now
Give your fingertips a break
I'll take you under
I'll make you wonder
Let me whisper melodies
Pull me in a little more
Pull me close, serenity
If you can't stop me
No you'll do it
Now you'll do it
No you do it again
And (2)_____ you wake up
In yesterday's makeup
You left me with the message
"Can we still be friends?"
And (3)_____ it starts back into night
You'll ask me if I want to play

Come and chase me through the night and
Feel this fine line escalate
I can't believe you're
I can't believe you're gone
I can't believe you're
I can't believe (4)_____ gone
You were my little favourite feeling
Let's sing... la la la la
You are my new favourite feeling
You are my little favourite feeling
Singing... whoa
I caught you at the right time
Not my feeling, not my feeling
If you can't stop me
No (5)_____ do it
Now you'll do it
No you do it again
And (6)_____ you wake up
In yesterday's makeup
You (7)_____ me with the message
"Can we still be friends?"
And when it starts back into night
(8)_____ ask me if I want to play
Come and chase me through the night and
Feel me taste your breath away
I can't believe you're
I can't believe you're gone
I can't believe you're
I can't believe you're gone
