Before the worst by The Script

It's been a while since the two of us talked
About a (1)_____ since the day that you walked
Knowing things would never be the same
(2)_____ your empty heart and mine full of pain
So explain to me, how we came to this
Take it back to the night we kissed
It was Dublin city on a Friday night
There were vodkas and coke, I was Guinness all night
We were sitting with our backs against the world
Saying things that we thought but never heard
Who would have thought it would end up like this?
Where everything we talked about is gone?
And the only chance we have of moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's (3)_____ to love again
Before too late
Before too long
Let's try to (4)_____ it back before it all went wrong
(5)_____ was a time
That we'd (6)_____ up all night
Best (7)_____ yet talking till the daylight
Took the joys alongside the pain
With not much to loose, but so (8)_____ to gain
Are you hearing me? Because I don't wanna (9)_____
you
You were adrift on memory bliss
In this Grafton Street on a rainy night

I was down on one knee and you were (10)_____ for life
We were thinking we would never be apart
With your (11)_____ tattooed across my heart
Who would have (12)_____ it (13)_____
end up like this?
Where everything we talked about is gone
And the (14)_____ (15)_____ we have of
(16)_____ on
Is try to take it (17)_____ (18)_____ it all went
wrong
Before the worst, before we mend
Before our (19)_____ decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong
And if the clouds don't clear
Then we'll rise (20)_____ it, we'll rise above it
Heaven's (21)_____ is so near
Come walk with me through
Just like we used to, (22)_____ like we used to
Let's take it back (23)_____ it all went wrong
Before the worst, (24)_____ we mend
Before our hearts decide
It's time to love again
(25)_____ too late
Before too long
Let's try to (26)_____ it (27)_____
(28)_____ it all went wrong
