I Love My Computer by Bad Religion

I love my computer
You make me feel alright
Every waking hour
And (1)_____ lonely night
I love my computer
For all you (2)_____ to me:
Predictable (3)_____ and no identity
And it's never been quite so easy
I've never been quite so happy
All I need to do is click on you
And we'll be joined
In the most soul-less way
And we'll never ruin each other's day
'cuz when I'm through I just click
And you (4)_____ go away
I love my computer
You're always in the mood
I get so (5)_____ on

When I (6)_____ on you
I love my computer
You never ask for more
You can be a princess
Or you can be my whore
And it's never been quite so easy
I've never been quite so happy
The world outside is so big
But it's (7)_____ in my domain
Because to you
I'm (8)_____ a number
And a clever screen name
All I need to do is (9)_____ on you
And we'll be together for eternity
And no one is ever gonna take my love
From me because I've got security
Her password and a key
