Civil War by Guns N' Roses

Fill in the gaps

	I don't need your civil war
Some men you just can't reach.	Look at the shoes you're filling
So, you get what we had here last week,	Look at the blood we're spilling
which is the way he wants it.	Look at the world we're killing
Well, he gets it. I don't like it	The way we've always done before
any more than you men.'	Look in the doubt we've wallowed
Look at (1) young men fighting	Look at the leaders we've followed
Look at your women crying	Look at the lies we've swallowed
Look at your young men dying	And I don't want to hear no more
The way they've always done before	My hands are tied
Look at the hate we're breeding	For all I've seen has changed my mind
Look at the fear we're feeding	But still the wars go on as the years go by
Look at the lives we're leading	With no love of God or human rights
The way we've always done before	'Cause all these dreams are swept aside
My hands are tied	By bloody (6) of the hypnotized
The billions shift from side to side	Who (7) the cross of homicide
And the wars go on with brainwashed pride	And history bears the scars of our civil wars
For the love of God and our human rights	We practice selective annihilation
And all these things are swept aside	Of mayors and government officials
By bloody hands time can't deny	For example to create a vacuum
And are (2) (3) by your genocide	Then we fill that vacuum
And history hides the lies of our civil wars	As popular war advances
Did you wear a black armband	Peace is closer
Did you wear a black armband When they shot the man	Peace is closer I don't need your civil war
