Science And Faith by The Script

Tried to break her to a science
in an act of good defiance
i broke her heart.
There's a pull up on her theories
there's a watch her growing weary
i broke her heart.
having heavy conversations
about the frivolous (1)_____ of
our souls. oh
we're just trying to find some meaning
in the (2)_____ that we believe in
but we got some ways to go.
of all of the things that she's ever said
she goes and says something (3)_____ just knocks me
dead.
You won't find faith or (4)_____ down a telescope
You won't find heart and soul in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh this is real.
ooohhhh
its the way we feel, yeh this is real.
i tried pushing evolution
as the obvious conclusion of the start.

but it was all my own amusement
saying (5)_____ was an illusion of a hopeless heart.
of all of the things that she's ever said
she goes and says something that (6)_____ me
dead.
You won't find faith or hope down a telescope
You won't find heart and soul in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh this is real.
ooohhhh
its the way we feel, yeh this is real.
of all of the things that she's ever said
she goes and says something that just knocks me dead
You won't find faith or hope down a telescope
You won't find heart and (7)_____ in the stars
you can break everything, got the chemicals?
but you can't explain a (8)_____ like ours.
ooohhhh
its the way we feel, yeh this is real
ooohhhh
its the way we feel, yeh this is real
