

## Fill in the gaps

### Bad Day by Daniel Powter

Where is the moment when we need it the most  
You kick up the (1)\_\_\_\_\_ and the magic is lost  
They (2)\_\_\_\_\_ me your blue sky's faded to grey  
They tell me your passion's gone away  
And I don't need no carrying on  
Stand in the line just ahead of the law  
You're faking a smile with the coffee you go  
You tell me your life's been way off line  
You're falling to pieces every time  
And I don't need no carrying on  
Cause you had a bad day  
You're (3)\_\_\_\_\_ one down  
You sing a sad song (4)\_\_\_\_\_ to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The (5)\_\_\_\_\_ don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day  
Well you need a blue sky holiday  
The point is they laugh at what you say  
And I don't need no carrying on  
You had a bad day  
You're taking one down  
You sing a sad song just to turn it (6)\_\_\_\_\_  
You say you don't know

You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day  
Sometimes the system (7)\_\_\_\_\_ on the blink and the  
whole thing it turns out  
Wrong  
You might not (8)\_\_\_\_\_ it back and you know that you  
could be well oh that  
Strong  
Well I'm not wrong  
So where is the passion when you need it the most  
Oh you and I  
You kick up the leaves and the magic is lost  
Cause you had a bad day  
You're taking one down  
You sing a sad song (9)\_\_\_\_\_ to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
You've seen what you like  
And how (10)\_\_\_\_\_ it feel for one more time  
You had a bad day  
You had a bad day  
You had a bad day

## Fill in the gaps

### Answer

1. leaves
2. tell
3. taking
4. just
5. camera
6. around
7. goes
8. make
9. just
10. does
