## Turn Off The Light by Nelly Furtado

It's getting so (1) inside this bed	That I can do it on my own without my heart on my sleeve
Don't know if I should lick my wounds or say woe is me	I'm running, I'm running, catch up with me life
instead	Or is it love that I'm looking to find?
There's an aching inside my head	It's all in me, can't you see, why can't you
It's telling me you're better off alone	Why can't you see, it's all in me, yeah
After midnight morning will come	All in me, yeah
And the day (2) see if you will get some	Turn off the light, turn off the light
They say that girl ya know she act too tough, tough, tough	Turn off the light, turn off the light
Well, it's till I turn off the light, turn off the light	I say follow me, follow me, follow me down, down, down,
They say that girl you know she act so rough, rough, rough	down
Well, it's till I turn off the light, turn off the light	Till you see all my dreams
And I say follow me, follow me, follow me down, down, down,	Not everything in this (9) world is quite
down	what it seems
Till you see all my dreams	Turn off the light, turn off the light
Not everything in this magical world is quite (3) it	Turn off the light, turn off the light
seems	I say follow me, follow me, follow me down, down, down,
I looked above the (4) day	down
1 100ked above the (4) day	
Cause I think I am good and ready for a change	Till you see all my dreams, see all my dreams
	Till you see all my dreams, see all my dreams Follow me, follow me, follow me down, down, down, down
'Cause I think I am good and ready for a change	
'Cause I think I am good and ready for a change I live my life by the moon	Follow me, follow me, follow me down, down, down, down
'Cause I think I am good and ready for a change I live my life by the moon If it's high play it low, if it's (5) go slow and if	Follow me, follow me, follow me down, down, down, down Till you see all my dreams, see all my dreams
'Cause I think I am good and ready for a change I live my life by the moon If it's high play it low, if it's (5) go slow and if it's full then go	Follow me, follow me, follow me down, down, down, down Till you see all my dreams, see all my dreams Turn off the light, turn off the light
'Cause I think I am good and ready for a change I live my life by the moon If it's high play it low, if it's (5) go slow and if it's full then go But after midnight morning will come	Follow me, follow me, follow me down, down, down, down Till you see all my dreams, see all my dreams Turn off the light, turn off the light Turn off the light, turn off the light
'Cause I think I am good and ready for a change I live my life by the moon If it's high play it low, if it's (5) go slow and if it's full then go But after midnight morning will come And the day will see if you're gonna get some	Follow me, follow me, follow me down, down, down, down Till you see all my dreams, see all my dreams Turn off the light, turn off the light Turn off the light, turn off the light Turn off the light, turn off the light
'Cause I think I am good and ready for a change I live my life by the moon If it's high play it low, if it's (5) go slow and if it's full then go But after midnight morning will come And the day will see if you're gonna get some They say that girl ya (6) she act too tough, tough,	Follow me, follow me, follow me down, down, down, down Till you see all my dreams, see all my dreams Turn off the light, turn off the light Turn off the light, turn off the light Turn off the light, turn off the light
