### Spaceman by The Killers

It started with a low light  
Next thing I knew they ripped me from my bed  
And then they took my blood type  
They left a strange impression in my head  
You know (1)\_\_\_\_\_ I was hoping  
That I could leave this star-crossed world behind  
But when they cut me open  
I guess I changed my mind  
And you know I might  
Have just flown too far from the floor (2)\_\_\_\_\_ time  
'Cause they calling me by my name  
And the zipping white light beams  
Disregarding bombs and satellites  
That was the turning point  
That was one lonely night  
The star (3)\_\_\_\_\_ says it ain't so bad  
The dream maker's gonna make you mad  
The (4)\_\_\_\_\_ says everybody look down  
It's all in your mind  
Well now I'm back at home and  
I'm looking forward to this life I live  
You know it's gonna haunt me  
So hesitation to this life I give  
You think you might cross over  
You caught between the devil and the deep blue sea  
You better look it over  
Before you (5)\_\_\_\_\_ that leap  
And you know I'm fine but I (6)\_\_\_\_\_ those voices at  
night  
Sometimes... they justify my claim  
And the public don't dwell on my transmission

'Cause it wasn't televised...  
But it was a turning point  
Oh what a lonely night  
The (7)\_\_\_\_\_ maker says it ain't so bad  
The dream maker's gonna make you mad  
The spaceman says everybody look down  
It's all in your mind  
The star maker says it ain't so bad  
The (8)\_\_\_\_\_ maker's gonna make you mad  
The spaceman says everybody look down  
It's all in your mind  
My global position systems are vocally addressed  
They say the Nile used to run from east to west  
They say the Nile used to run from east to west  
I'm fine  
But I hear those voices at night  
Sometimes...  
The star maker says it ain't so bad  
The dream maker's gonna make you mad  
The spaceman says everybody look down  
It's all in your mind  
The star maker says It ain't so bad  
The dream maker's gonna make you mad  
The spaceman says everybody look down  
It's all in your mind  
It's all in my mind  
It's all in my mind...
