

## Dear Darlin' by Olly Murs

| Dear Darlin'                                |  |  |  |
|---|--|--|--|
| Please excuse my writing                    |  |  |  |
| I can't stop my hands from shaking          |  |  |  |
| 'Cause I'm cold and alone tonight           |  |  |  |
| I miss you                                  |  |  |  |
| And nothing (1) like no you                 |  |  |  |
| And no one understands what we went through |  |  |  |
| It was short                                |  |  |  |
| It was sweet                                |  |  |  |
| We tried                                    |  |  |  |
| And if my words break through the wall      |  |  |  |
| And meet you at your door                   |  |  |  |
| All I could say is "girl, I mean them all"  |  |  |  |
| Dear Darlin'                                |  |  |  |
| Please excuse my writing                    |  |  |  |
| I can't stop my (2) from shaking            |  |  |  |
| 'Cause I'm (3) and alone tonight            |  |  |  |
| I miss you                                  |  |  |  |
| And nothing hurts like no you               |  |  |  |
| And no one understands what we went through |  |  |  |
| It was short                                |  |  |  |
| It was sweet                                |  |  |  |
| We tried                                    |  |  |  |
| We tried                                    |  |  |  |
| I understand where he's (4) from            |  |  |  |
| Been thinking                               |  |  |  |
| About the (5) we dreamt                     |  |  |  |

## Fill in the gaps

| Fe  | eeling like the sofa         | was sinking                    |         |  |
|---|------------------------------|--------------------------------|---------|--|
| ١١  | was (6)                      | in the hope of (7)             | eyes    |  |
| So if my words break through the wall       |                              |                                |         |  |
| To meet you at your door                    |                              |                                |         |  |
| Al  | II I (8)                     | say is "girl, I mean them all" |         |  |
| D   | ear Darlin'                  |                                |         |  |
| Pl  | Please excuse my writing     |                                |         |  |
| I can't stop my hands from shaking          |                              |                                |         |  |
| 'Cause I'm cold and alone tonight           |                              |                                |         |  |
| ۱r  | miss you                     |                                |         |  |
| Aı  | nd nothing (9)               | like no you                    |         |  |
| And no one understands what we went through |                              |                                |         |  |
| lt  | was short                    |                                |         |  |
| lt  | was sweet                    |                                |         |  |
| W   | e tried                      |                                |         |  |
| (Oh) I concur                               |                              |                                |         |  |
| Tł  | These arms are yours to hold |                                |         |  |
| Aı  | nd I miss you                |                                |         |  |
| Aı  | nd nothing hurts lik         | e no you                       |         |  |
| Aı  | nd no one understa           | ands what we (10)              | through |  |
| lt  | was short                    |                                |         |  |
| lt  | was sweet                    |                                |         |  |
| W   | /e tried                     |                                |         |  |
| W   | e tried                      |                                |         |  |
|   |                              |                                |         |  |

- 1. hurts
- 2. hands
- 3. cold
- 4. coming
- 5. ball
- 6. warm
- 7. your
- 8. could
- 9. hurts
- 10. went
