

Fill in the gaps

Where The Streets Have No Name (Live) by U2

Amazing grace

How sweet the sound

That saved

A wretch

Like me

I once

Was lost

Though now

I'm found

I was blind

But now

I see

I was blind

But now

I see

...

(Come on, come on)

I wanna run

I want to hide

I wanna tear down the walls

That hold me inside

I wanna reach out

And touch the flame

Where the streets have no name

I (1)_____ feel

Sunlight on my face

I see the dust-cloud disappear

Without a trace

I (2)_____ take shelter

From hurricane

Where the streets (3)_____ no

Name

Where the streets have no name

Where the streets (4)_____ no name

We're still building and burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

The city's a flood

And our love turns to rust

We're beaten and (5)_____ by the wind

Trampled in dust

I'll show you a place

It's high

High

Where the (6)_____ have no

Name

Where the streets have no name

Where the streets have no name

We're still building and burning down love

Burning down love

And when I go there

I go there with you (to other place)

It's all I can do

...

Love, love, love

Only love

Where the streets have no name

Where the (7)_____ have no name

We're still building and burning (8)_____ love

Burning down love

And when I go there

I go there with you

It's all I can do

Love

We are love

We are love

Africa rising
