

Trouble by Leona Lewis

Fill in the gaps

You drink more than you used to
Fell in love, how could you
Trust your (1)_____ like only fools do
Go on, let it bleed
You smoked ten, now it's twenty
Bet you wish you never met me
To stick around, you must be crazy
Go on, let it bleed
I told you never to get used to me
I still awake (2)_____ you (3)_____ asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder than you (4)_____ to
And you hold on tighter in the bedroom
Stick around like imma change soon
Go on, let it bleed
As you stand (5)_____ trying to (6)_____ me
Use your (7)_____ and, babe, believe me

Gonna take much more than a heart to save me
Go on, let it bleed
I told you never to get used to me
I still (8)_____ when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, turn your back on me
You'll be praying for the strength to leave
I told you never to get (9)_____ to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
