

Fill in the gaps

The World Moves On (Studio) by Jens Lekman

(And this song is called)

(The world moves on)

The thermometer ran out of numbers

When it reached 50 degrees

I just lay (1)_____ on the floor

With a bag of frozen peas

We saw plumes of smoke rising

In the distance (2)_____ our balcony

I poured a glass of wine

Sucked the juice out of a kiwi

Catherine turned on the TV

They showed acres after acres

Of absolutely nothing

And then Stevie called and said

Are you watching what I'm watching?

I said I'm watching what you're watching

But what is it I'm watching?

The night before I had been bored

And my legs had been restless

It was my birthday

I'd (3)_____ opened up my presents

At the social club, I met some friends

Who were friends (4)_____ (5)_____ girl

One by one they dropped off

Till it was just me and her

We made out in every bar in town

While the (6)_____ of Victoria

Burned (7)_____ to the ground

And the sun rose over the city

Fill in the gaps

The wind (8)_____ (9)_____ the valley

And you don't get over a broken heart

You just learn to carry it gracefully

The Edinburgh Gardens offered

Some kind of shade

I would pick up (10)_____ beers

And head down there late

Watch the possums and listen

To their Growling banter

There was one I (11)_____ especially

I named her Sam as in Samantha

I (12)_____ a slice of apple from my hand

She would sniff it, frown

And then lumber back to the trash can

I was going uphill on my Malvern Star

When I was passed by a scooter

You got a (13)_____ or a cigarette?

Hey, I'm talking to you, poofter

What I should have said was nothing

What I said was "get lost"

Next time I'm upside-down with my bike in the dust

Spitting dirt all the way home

Cursing the very ground (14)_____ I was (15)_____ on

And the sun rose over the city

The (16)_____ swept through the valley

And you don't get over a broken heart

You just learn to carry it gracefully

And that's what it's like

When you've had your heart broken

The world (17)_____ shrugs its shoulders

Fill in the gaps

And (18)_____ going

It just (19)_____ on in all its sadness and glory

Over dinner with a friend

I (20)_____ her my story

And as I finally put the book

Back on the shelf

She says

Maybe it's time you take a look at yourself

No one's born an *****

It takes a lot of hard work

But God knows I've worked my ass off

To be a jerk

So many hands I've held

While wondering why I (21)_____ nothing

And why, when I let go of that hand

I always start to feel something

And like a bottle smashed against my head

She'd say

I wish you just would've cheated on me instead

And loving (22)_____ loving

Is always the worst crime

I know all the signs and signals

'Cause now I've been on both sides

The way you (23)_____ (24)_____ words

The limpness of (25)_____ hand

I almost (26)_____ (27)_____ you introduced me as a friend

How can you (28)_____ me a friend?

If you don't love me

Then please have the dignity to tell me

But I never said any of that

Fill in the gaps

I just shook that hand

And looked down at the doormat

The sun rose over the city

The wind swept through the valley

And you don't get over a broken heart

You just learn to carry it gracefully
