The World Moves On (S
(And this song is called)
(The world moves on)
The thermometer ran out of numbers
When it reached 50 degrees
I just lay down on the floor
With a bag of frozen peas
We saw plumes of smoke rising
In the distance from our balcony
I poured a glass of wine
Sucked the juice out of a kiwi
Catherine turned on the TV
They showed acres after acres
Of absolutely nothing
And then Stevie called and said
Are you watching what I'm watching?
I said I'm watching what you're watching
But what is it I'm watching?
The night before I had been bored
And my legs had been restless
It was my birthday
I'd already opened up my presents
At the social club, I met some friends
Who were friends with this girl
One by one they dropped off
Till it was just me and her
We made out in every bar in town
While the state of Victoria
Burned down to the ground
And the sun rose over the city

When you've had your heart broken

The world just shrugs its shoulders

It just (4) on in all its sadness and glory				
Over dinner with a friend				
I tell her my story				
And as I finally put the book				
Back on the shelf				
She says				
Maybe it's time you take a look at yourself				
No one's born an ******				
It takes a lot of hard work				
But God knows I've worked my ass off				
To be a jerk				
So many hands I've held				
While wondering why I felt nothing				
And why, when I let go of that hand				
I always (5) to feel something

And like a bottle smashed (6) my head				
And like a bottle smashed (6) my head				
And like a bottle smashed (6) my head She'd say				
And like a bottle smashed (6) my head She'd say I wish you just would've cheated on me instead				
And like a bottle smashed (6) my head She'd say I wish you just would've cheated on me instead And loving without loving				
And like a bottle smashed (6) my head She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime

I just shook that hand

The sun rose over the city	
The wind (10)	through the valley

And you don't get over a broken heart

You just learn to carry it gracefully
