I Drove All Night by Cyndi Lauper

The city was sticky and cruel To get to you Maybe I (1) have (2) you first Is that alright But I was dying to get to you I drove all night I was dreaming while I drove Crept in your room The long straight (3) ahead Woke you from your sleep Could (4) your sweet kisses your arms open To make love to you wide Is that alright This fever for you is just (5) me up inside I drove all night I drove all night I taste your sweet kisses your arms (9) wide To get to you This fever for you is just burning me up inside Is that alright I drove all night I drove all night I drove all night I drove all night I drove all night I drove all night To get to you Crept in your room Is (10) alright Woke you (6) your sleep I drove all night To make love to you Crept in your room Is that alright Woke you from your sleep I drove all night To make love to you Vhat in this world I drove all night Keep us from tearing apart I taste your sweet kisses your arms open wide	I had to escape	I drove all night
But I was dying to get to youI drove all nightI was dreaming while I droveCrept in your roomThe long straight (3) aheadWoke you from your sleepCould (4) your sweet kisses your arms openTo make love to youwideIs that alrightThis fever for you is just (5) me up insideI drove all nightI drove all nightI taste your sweet kisses your arms (9) wideTo get to youThis fever for you is just burning me up insideIs that alrightI drove all nightI drove all nightI drove all nightI drove all nightTo get to youSt hat alrightI drove all nightI drove all nightTo get to youSt hat alrightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youVotar in this worldI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI drove all night	The city was sticky and cruel	To get to you
I was dreaming while I droveCrept in your roomThe long straight (3) aheadWoke you from your sleepCould (4) your sweet kisses your arms openTo make love to youwideIs that alrightThis fever for you is just (5) me up insideI drove all nightI drove all nightI taste your sweet kisses your arms (9) wideTo get to youThis fever for you is just burning me up insideI drove all nightI drove all nightI drove all nightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightVoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youVoke all nightTo make love to youIs that alrightUrove all nightTo make love to youCrept in your roomIs that alrightTo make love to youVhat in this worldI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkVoe all nightNo one can move me the way that you doVoe all night	Maybe I (1) have (2) you first	Is that alright
The long straight (3) aheadWoke you from your sleepCould (4) your sweet kisses your arms openTo make love to youwideIs that alrightThis fever for you is just (5) me up insideI drove all nightI drove all nightI taste your sweet kisses your arms (9) wideTo get to youThis fever for you is just burning me up insideIs that alrightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youCrept in your roomIs (10) alrightWoke you form your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youWhat in this worldI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkKoo one can move me the way that you do	But I was dying to get to you	I drove all night
Could (4) your sweet kisses your arms open wideTo make love to you Is that alrightThis fever for you is just (5) me up insideI drove all nightI drove all nightI taste your sweet kisses your arms (9) wideTo get to youThis fever for you is just burning me up insideIs that alrightI drove all nightI drove all nightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youVoke you form your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youNo ve all nightI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideThis fever for you when the night is cold and darkI drove all nightNo one can move me the way that you doI	I was dreaming while I drove	Crept in your room
wideIs that alrightThis fever for you is just (5) me up insideI drove all nightI drove all nightI taste your sweet kisses your arms (9) wideTo get to youThis fever for you is just burning me up insideIs that alrightI drove all nightI drove all nightTo get to youI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI	The long straight (3) ahead	Woke you from your sleep
This fever for you is just (5) me up insideI drove all nightI drove all nightI drove all nightI taste your sweet kisses your arms (9) wideTo get to youThis fever for you is just burning me up insideIs that alrightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightI drove all nightVhat in this worldI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI drove all night	Could (4) your sweet kisses your arms open	To make love to you
I drove all nightI taste your sweet kisses your arms (9) wideTo get to youThis fever for you is just burning me up insideIs that alrightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightI drove all nightKeep us from tearing apartI drove all nightNo (7) where I go I hearThis fever for you is just burning me up insideI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI	wide	Is that alright
To get to youThis fever for you is just burning me up insideIs that alrightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightUrove all nightKeep us from tearing apartI drove all nightNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI drove all night	This fever for you is just (5) me up inside	I drove all night
Is that alrightI drove all nightI drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightWoke you from your sleepI drove all nightTo make love to youWhat in this worldI drove all nightKeep us from tearing apartI drove all nightNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all night	I drove all night	I taste your sweet kisses your arms (9) wide
I drove all nightTo get to youCrept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youIs that alrightTo make love to youI drove all nightTo make love to youKeep us from tearing apartI drove all nightNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all night	To get to you	This fever for you is just burning me up inside
Crept in your roomIs (10) alrightWoke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youWhat in this worldI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideI think about you when the night is cold and darkI drove all night	Is that alright	I drove all night
Woke you (6) your sleepI drove all nightTo make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youWhat in this worldI drove all nightKeep us from tearing apartI drove all nightNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all night	I drove all night	To get to you
To make love to youCrept in your roomIs that alrightWoke you from your sleepI drove all nightTo make love to youWhat in this worldI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all night	Crept in your room	ls (10) alright
Is that alrightWoke you from your sleepI drove all nightTo make love to youWhat in this worldI drove all nightKeep us from tearing apartI taste your sweet kisses your arms open wideNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI drove all night	Woke you (6) your sleep	I drove all night
I drove all nightTo make love to youWhat in this worldI drove all nightKeep us from tearing apartI drove all nightNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI drove all night	To make love to you	Crept in your room
What in this worldI drove all nightKeep us from tearing apartI drove all nightNo (7) where I go I hearThis fever for you is just burning me up insideThe beating of your heartI drove all nightI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI drove all night	Is that alright	Woke you from your sleep
Keep us from tearing apart I taste your sweet kisses your arms open wide No (7) where I go I hear This fever for you is just burning me up inside The beating of your heart I drove all night I think about you when the night is cold and dark No one can move me the way that you do	I drove all night	To make love to you
No (7) where I go I hear This fever for you is just burning me up inside The beating of your heart I drove all night I think about you when the night is cold and dark No one can move me the way that you do	What in this world	I drove all night
The beating of your heartI drove all nightI think about you when the night is cold and darkI drove all nightNo one can move me the way that you doI drove all night	Keep us from tearing apart	I taste your sweet kisses your arms open wide
I think about you when the night is cold and dark No one can move me the way that you do	No (7) where I go I hear	This fever for you is just burning me up inside
No one can move me the way that you do	The beating of your heart	I drove all night
	I think about you when the night is cold and dark	
Nothing (8) this feeling between me and you	No one can move me the way that you do	
	Nothing (8) this feeling between me and you
