Fill in the gaps

You the primer on the lime bean (7)_____ box

When I couldn't afford the Ford

Clean socks scooting across the floor

In your grandmama's house

Hand on your mouth

You yap too much about the Penny-Ante

This mechanic's so uncanny

X-men, X-men, your ex-boyfriend should thank me

That I took you off his hands

No I can't bring another beach to the sand

And know I am well aware

That you can bring a man to his knees

And get what you need without saying please

But can you bring a man to his feet

When defeat is on repeat

And they put this man's Grammy's on the street

What, why so quiet

Hate that all of our memories happened in a Hyatt

You were perfect before you went on a diet

You was way (different)

You think I don't remember

The magazine got to your head

Now somebody you don't even know got you in bed

Bet your buddy don't even know you don't like red

Or was it fuchsia

Our future is dead

(Oh no) I thought a (***) cat had nine lives man

I need to know (oh no)

Yeah, yeah, yeah (I miss that loving, that loving)

Fill in the gaps
