All This And Heaven Too Good Quality by Florence + The Machine

And the heart is hard to translate
It has a language of its own
It talks and turns in quiet sighs
In prayers and proclamations
In the grand days of (1)_____ men
And the smallest of gestures
In short shallow gasps
But with all my education
I can't seem to command it
And the words are all escaping
Coming back all damaged
And I would put (2)_____ back in poetry
If I'd only knew how
I can't seem to (3)_____ it
I would give all this and (4)_____ too
I would give it all if only for a moment
That I (5)_____ just understand
The meaning of the (6)_____ you see
'Cause I've been scrawling it forever
But it never makes sense to me at all
And it (7)_____ to me in tiptoes
And it sings to me inside
It cries out in the darkest night
And breaks in the morning light
But with all my education
I can't seem to (8)_____ it
And the words are all escaping

Come (9)_____ all damaged
I (10)_____ put them back in poetry
If I'd only knew how
I can't seem to understand it
And I would give all (11)_____ and heaven too
I would give it all if only for a moment
That I could just understand
The (12)_____ of the (13)_____ you see
'Cause I've been scrawling it forever
But it (14)_____ makes sense to me at all
And I would give all this and heaven too
I would give it all if (15)_____ for a moment
That I could just understand
The meaning of the word you see
'Cause I've (16)_____ (17)_____ it
forever
But it never (18)_____ sense to me at all
No words are language
It doesn't (19)_____ (20)_____ treatment
And all my stumbling phrases never amounted
To anything worth this feeling
All this heaven
Never (21)_____ describe such a
(22)_____ as I'm in
Words were never so useful
So I'm screaming out a language
That I (23)_____ knew existed before
