

Common People by Pulp

Fill in the gaps

She came from Greece
She had a thirst for knowledge
She studied sculpture at Saint (1)_____ College
That's where I
Caught her eye
She told me that her dad was loaded
I said, "In that case I'll have rum and Coca-Cola"
She said, "Fine"
And then in thirty seconds' time, she said
"I wanna live like common people
I wanna do whatever common people do
Wanna sleep with common people
I wanna (2)_____ with common people like you"
Oh, what else could I do?
I said, "I'll, I'll see what I can do"
I took her to a supermarket
I don't (3)_____ why, but I had to start it somewhere
So it started there
I said: "Pretend you've got no money"
And she just laughed and said, "Oh, you're so funny"
I said, "Yeah? Huh
I can't see anyone else smiling in here
Are you sure
You (4)_____ live like common people
You wanna see whatever common people see
Wanna sleep with common people
You wanna sleep with common people like me?"
But she didn't understand
She just smiled and held my hand
Rent a flat above a shop
Cut your hair and get a job

Smoke some fags and play some pool
Pretend you never went to school
But still you'll never get it right
'Cos when you're laying in bed at night
Watching roaches climb the wall
If you called your dad he could stop it all, yeah
You'll never live like common people
You'll never do whatever common people do
Never fail like common people
You'll (5)_____ watch your life slide out of view
And then dance and drink
Because there's nothing else to do
Sing along with the common people
Sing (6)_____ and it might just get you through
Laugh along with the common people
Laugh along even though they're laughing at you
And the stupid things that you do
Because you think that (7)_____ is cool
Wanna live with (8)_____ people like you
Wanna live with common people like you
Wanna (9)_____ with common people like you
Wanna live with common people like you
Wanna live with common people like you
Wanna live with common people like you
Oh, la la la la...
Oh, la la la la...
Oh, la la la la la la...
Oh, yeah

Answer

1. Martins
2. sleep
