

Fill in the gaps

Many times I've (1) to tell you	For w
Many times I've cried alone	
,	We b
Always I'm (2) how well you	We b
Cut my feelings to the bone	Close
Don't wanna leave you really	Close
I've invested too much time	Clear
To give you up that easy	To try
To the doubts that complicate your mind	We c
We belong to the light	How
We belong to the thunder	I hea
We belong to the (3) of the words	I see
We've both fallen under	Still y
Whatever we (4) or embrace	We b
For worse or for better	We (
We belong, we belong	We b
We belong together	We've
Maybe it's a sign of weakness	What
When I don't (5) what to say	For w
Maybe I just wouldn't know	We b
What to do with my strength anyway	We b
Have we become a habit	We b
Do we distort the facts	We b
Now there's no looking forward	We b
Now there's no turning back	We've
When you say	What
We belong to the light	For w
We belong to the thunder	We b
We belong to the sound of the words	We b
We've both fallen under	

Whatever we deny or embrace

For worse or for better	
We belong, we belong	
We belong together	
Close your eyes and try to (6)	now
Close your eyes and try to dream	
Clear (7) mind and do your best	
To try and wash the palette clean	
We can't (8) to know it	
How much we really care	
I hear your voice inside me	
I see your face everywhere	
Still you say	
We belong to the light	
We (9) to the thunder	
We belong to the sound of the words	
We've both fallen under	
Whatever we deny or embrace	
For worse or for better	
We belong, we belong	
We belong together	
We belong to the light	
We belong to the thunder	
We belong to the sound of the words	
We've both fallen under	
Whatever we deny or embrace	
For worse or for better	
We belong, we belong	
We belong together	

- 1. tried
