Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
(1) the lights turned on?
Maybe I have said
(2) that was wrong
Can I (3) it (4)
With the lights (5) on?
Can I be? Was I there?
It felt so crystal in the air
It felt so crystal in the air I still want to (6) whenever you leave
I still want to (6) whenever you leave
I still want to (6) whenever you leave (7) teach me gently how to breather
I still want to (6) whenever you leave (7) teach me gently how to breather And I'll cross oceans (8) never before
I still want to (6) whenever you leave (7) teach me gently how to breather And I'll cross oceans (8) never before So you can feel the way I feel it too
I still want to (6) whenever you leave (7) teach me gently how to breather And I'll cross oceans (8) never before So you can feel the way I feel it too And I'll sing images back at you
I still want to (6) whenever you leave (7) teach me gently how to breather And I'll cross oceans (8) never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I (9) it too
I still want to (6) whenever you leave (7) teach me gently how to breather And I'll cross oceans (8) never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I (9) it too Maybe I have said
