

Fill in the gaps

Woke up in London yesterday
Found myself in the city near Piccadilly
Don't (1) know how I got here
I got some pictures on my phone
New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night,
night turns to whatever we want
We're young enough to say:
Oh this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
Say oh, got this feeling that you can't fight
Like this city is on fire tonight
This could really be a good (2) a good, good life
To my friends in New York, I say hello
My (3) in L.A. they don't know
Where I've been for the (4) few years or so
Paris to China to Colorado
(5) there's airplanes I can' t jump out
Sometimes there's bullshit that don't work now
We are good of stories but please tell me
What there is to complain about
When you're happy like a fool
Let it take you over
When everything is out
You gotta take it in
Oh this has gotta be the (6) life
This has gotta be the (7) life
This could really be a good life, good life

Say oh, got this feeling that you can't fight Like this city is on fire tonight This could really be a good life, a good, good life A good good life Hopelessly I feel like there might be something that I'll miss Hopelessly I feel like the window closes so quick Hopelessly I'm (8)_ _ a mental picture of you now Because hopelessly The hope is we have so much to feel good about Oh this has gotta be the good life This has gotta be the good life This could really be a good life, good life Say oh, got this (9)_____ that you can't fight Like this city is on fire tonight This could really be a good life, a good, good life a good, good life To my friends in New York, I say hello My (10)_____ in L.A. they don't know Where I've been for the past few years or so Paris to China to Col-or-ado Sometimes there's airplanes I can't jump out Sometimes there's bullshit that don't work now We are god of stories but please tell me What there is to complain about
