You (2) we're not ******** around Got a bottle of jack in our hands You tryna' keep up kid? Let's see who hits the ground We've drank the drinks We've done the drugs Clearly we don't remember We've come so far We've shown them all Without us you'd (3) and (4) away They say it all breaks down To keeping your (5) on the ground My sole intention is keeping my head in the clouds They say that I can't last a day in the real world

I say you wouldn't survive one night in mine
Notorious and shit
I wouldn't change it for the world
I'm infamous but damn you can't help

Notorious and shit
I wouldn't (6) it for the world
I'm (7) but damn you can't help
But love (8) shit
You can't help but love (9) shit
I'm everything we need to make this scene
What it should have been
Remember platinum albums
Sold out stadiums, (10) it to me
Let's tell the truth
Not to be rude but we're all irrelevant
This music's dead with a bullet in it's head
Let's wake it up
It's so insane, I'm so insane
Going insane, I'm so insane
Leave it to me from here
Leave it to me from here
