Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile (1)_____ your cheeks?
Darling I will be loving you till we're seventy
And (2)_____ my heart could still feel as hard at twenty
three
And I'm (3)_____ (4)_____ how
People fall in love in (5)_____ ways
Maybe just the touch of a hand
Well me I fall in love (6)_____ you every single day
And I (7)_____ want to tell you I am
So honey now
Take me into your loving arms
Kiss me under the (8)_____ of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right (9)_____ we are
When my (10)_____ all but gone
And my memory fades
And the crowds don't remember my name
When my (11)_____ don't play the strings the same
way
I know you (12)_____ still love me the same
Because honey your soul could never grow old

It's evergreen
And baby your smile is forever
In my (13)_____ and memory
I'm (14)_____ about how
People (15)_____ in (16)_____ in mysterious ways
And maybe it's all part of a plan
I'll (17)_____ keep on making the same mistakes
Hoping that you'll understand
That (18)_____ now
Take me into your (19)_____ arms
Kiss me under the light of a thousand stars
Place (20)_____ head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place (21)_____ head on my beating heart
I'm thinking out loud
Baby we (22)_____ love right (23)_____ we

And we (25)_____ love (26)_____ where we
