How to save a life by The Fray

Step one you say we need to talk
He walks you say sit down it's just a talk
He smiles politely back at you
You (1)_____ politely (2)_____ on through
Some (3)_____ of window to your right
As he goes (4)_____ and you stay right
Between the lines of fear and blame
And you begin to wonder why you came
Where did I go wrong, I lost a friend
Somewhere along in the bitterness
And I would have stayed up with you all night
Had I known how to save a life
Let him know that you know best
Cause after all you do know best
Try to slip past his defense
Without granting innocence
Lay down a list of (5)_____ is wrong
The things you've told him all along
And pray to God he hears you
And pray to God he hears you

Where did I go wrong, I lost a friend
Somewhere (6)_____ in the bitterness
And I would have stayed up with you all night
Had I known how to save a life
As he begins to raise his voice
You lower yours and grant him one (7)_____ choice
Drive until you lose the road
Or break with the ones you've followed
He will do one of two things
He (8)_____ admit to everything
Or he'll say he's just not the same
And you'll begin to (9)_____ why you came
Where did I go wrong, I lost a friend
Somewhere along in the bitterness
And I would have stayed up with you all night
Had I known how to save a life
How to save a life
How to save a life
