Slow It Down by Amy Macdonald

I never knew you before,
I've been walking around with my eyes on the floor
And (1)_____ you're everywhere to me
You're every face (2)_____ I see, things ain't moving
quick enough for me
I guess I've been
Running 'round town
and leaving my tracks,
Burning out rubber
driving too fast
But I, I've gotta slow it (3)_____ down
Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down...
Slow it down.
[Down down down]
[down down down down...]
Wishing, wanting for something more
Always (4)_____ than I had before
Who knew these (5)_____ (6)_____ come
true
And I run the red, won't stop at night
I don't care for traffic lights
Things (7)_____ moving quick enough for me
I guess I've been
Running (8)_____ town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,

from the very first day you had my heart
but I got to slow right down
Slow it down.
[Down down down]
[down down down down...]
I guess I've been
Running round town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,
from the (9)_____ first day you had my heart
but I got to slow right down...
Slow it down.
I guess I've been
Running round town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,
from the very first day you had my heart
but I, I got to slow (10)_____ down...
Slow it down.
(Down down down)
(down down down down...)
