Where is the moment when we need it the most		You tell me don't lie
You (1) up the leaves and the magic is lost		You work at a smile and you go for a ride
They tell me your blue sky's faded to grey		You had a bad day
They tell me your passion's gone away		The camera don't lie
And I don't need no carryi	ng on	You're coming back (7) and you really don't mind
Stand in the line just (2)_	of the law	You had a bad day
You're faking a smile with the coffee you go		You had a bad day

You're falling to pieces every time		it turns out
And I don't need no carrying on		Wrong
Cause you had a bad day		You might not make it back and you know (8) you
You're (3)	one down	could be well oh that
You sing a sad song just to turn it around		Strong
You say you don't know		Well I'm not wrong
You tell me don't lie		So where is the passion when you need it the most
