

## Fill in the gaps

| So sentimental                                    | It comes and goes                             |
|---|---|
| Not (1) no  | Lisztomania                                   |
| Romantic not (2) yet                              | Think (18) but see it grow                    |
| Darling (3) down and lonely                       | Like a riot, like a riot (oh!)                |
| When (4) the (5) only                             | I'm not easily offended                       |
| I've been (6) for something else                  | It's not (19) to let it go                    |
| These days it comes, it comes, it comes, it comes | From a mess to the masses                     |

| It's not hard to let it go                        | From a mess to the masses                     |
| From a mess to the masses                         | This is (24) time                             |
| Lisztomania                                       | This is show time                             |
| Think less but see it grow                        | This is show time                             |
| Like a riot, (8) a riot (oh!)                     | This is show time                             |
| I'm not (9) offended                              | This is show time                             |
| It's not hard to let it go                        | This is show time                             |
| From a mess to the masses                         | Time  |
| Follow, misguide, stand still                     | Time is your love                             |
| Disgust, discourage                               | Time is your love                             |
| On (10) (11) weekend ending                       | Yes, time is yours                            |
| This love's for gentlemen only                    | Time  |
| Wealthiest gentlemen only                         | Time is your love                             |
| And now (12) (13) lonely                          | Time is your love                             |
| Do let do let jugulate do let do let do           | Yes, time is yours                            |
| Let's go slowly, discouraged                      | From a mess to the masses                     |
| We'll (14) the pictures instead                   | Lisztomania                                   |
| When it's all over we can barely discuss          | Think less but see it grow                    |
| For one (15) only                                 | Like a riot like a riot (oh!)                 |
| Not with the (16) only                            | Discuss, discuss, discuss, discuss discourage |
| Thought it could have (17) something else         |   |
| These days it comes, it comes, it comes           |   |
