

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a cold winter morning, in the time before the light
In flames of death's eternal reign we (1)_____
(2)_____ the fight
And the darkness is falling down
And the times are (3)_____ all right
The sound of evil laughter falls around the world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The scattered souls will feel the hell bodies
Wasted on the shores
On the blackest waves in hells domain
We watch them as they go
Through fire, pain and once (4)_____ we know
So now we fly ever free
We're free before the thunderstorm
On towards the wilderness our quest carries on
Far (5)_____ the sundown, far beyond the
moonlight
Deep inside our hearts and all our souls
So far away we wait for the day
For the light (6)_____ so (7)_____ and
gone
We feel the (8)_____ of a lifetime lost in a thousand days
Through the fire and the flames we carry on
As the red day is dawning
And the lightning cracks the sky
They raise (9)_____ (10)_____ to the heavens
above
As we send them to their lies

Running back through the mid-morning light
There's a burning in my heart
We're (11)_____ from the time in the fallen
land
To a light beyond the stars
In the blackest dreams we do believe
Our destiny this time
And (12)_____ we'll all be free tonight
And on the wings of a dream so far beyond reality
All (13)_____ in (14)_____ now
the time is gone
Lost (15)_____ you'll never (16)_____
(17)_____ within my own mind
Day after day this misery must go on
So far away we wait for the day
For the light source so (18)_____ and gone
We feel the pain of a (19)_____ lost in a
thousand days
Through the fire and the (20)_____ we carry on
Now here we (21)_____ with their blood on our hands
We fought so hard now can we understand
I'll (22)_____ the seal of (23)_____ curse if I
possibly can
For freedom of (24)_____ man
So far (25)_____ we wait for the day
For the light source so (26)_____ and gone
We feel the pain of a (27)_____ (28)_____
in a thousand days
Through the fire and the flames we carry on

Fill in the gaps

Answer

1. ride
2. towards
3. tough
4. again
