Fill in the gaps

I know that it is freezing
But I think we have to walk
I (1)_____ waving at the taxis
They keep turning their (2)_____ off
But Julie knows a party
At some actor's west (3)_____ loft
Supplies are endless in the evening
By the morning they'll be gone
When everything is lonely
I can be my own best friend
I get a (4)_____ and the paper
Have my own conversations
With the sidewalk and the pigeons
And my (5)_____ reflection
The mask I polish in the evening
By the (6)_____ looks (7)_____ ****
And I know you have a (8)_____ heart
I can feel it when we kiss
So (9)_____ men stronger than me
Have thrown their backs out trying to lift
It
But me I'm not a gamble
You can count on me to split
The love I (10)_____ you in the evening
By the morning won't exist
You're (11)_____ skinny like a model
With (12)_____ eyes all (13)_____ black
You (14)_____ keep (15)_____ to the bathroom
Always say you'll be (16)_____ back

Well it takes one to know one, kid
I think you've got it bad
But what's so easy in the evening
By the morning is such a drag
I've got a flask inside my pocket
We can share it on the train
And if you promise to stay conscious
I will try and do the same
Well, we might die from medication
But we'll (17)_____ kill all the pain
But what was normal in the evening
By the (18)_____ seems insane
And I'm not sure (19)_____ the trouble was
That started all of this
The (20)_____ all have run away
But the feeling (21)_____ did
It's
Not (22)_____ I (23)_____ recommend
But it is one way to live
'Cause what is (24)_____ in the moonlight
By the (25)_____ (26)_____ is
It was so simple in the moonlight
Now is so complicated
It was so simple in the moonlight
So simple in the moonlight
So simple in the moonlight...
