

Breathe by Faith Hill

Fill in the gaps

I can feel the magic floating in the air
Being with you gets me that way
I watch the sunlight (1)_____ across (2)_____
face
And I've
Never been this swept away
All my thoughts just seem to settle on the breeze
When I'm lying wrapped up in (3)_____ arms
The whole world (4)_____ fades away
The (5)_____ thing I hear is the beating of your heart
'Cause I can (6)_____ you breathe
It's washing over me
And suddenly I'm melting into you
There's nothing (7)_____ to prove
Baby all we need is just to be
Caught up in the touch
Slow and steady rush
Baby isn't that the way that love's supposed to be?
I can feel you breathe
Just breathe
In a way I know my heart is waking up
As all the walls come tumbling down

Closer than I've ever felt before
And I know, and you know
There's no need for (8)_____ right now
'Cause I can feel you breathe
It's washing over me
And suddenly I'm (9)_____ into you
There's nothing left to prove
Baby all we need is just to be
Caught up in the touch
Slow and steady rush
Baby isn't that the way that love's supposed to be?
I can feel you breathe
Just breathe
Caught up in the touch
Slow and steady rush
Baby isn't that the way that love's supposed to be?
I can feel you breathe, just breathe
I can feel the magic floating in the air
Being with you gets me that way
