

Fill in the gaps

I'll Be Waiting (Live) by Adele

...

Hold me closer one more time

Say that you love me in your last goodbye

Please forgive me for my sins

Yes, I (1)_____ dirty waters

But you pushed me in

I've seen your face under every sky

Over (2)_____ border and on (3)_____ line

You know my heart more than I do

We were the greatest, me and you

But we had time against us

And miles between us

The heavens cried

I know I left you speechless

But now the sky has cleared and it's blue

And I see my future in you

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll do everything different

I'll be better to you

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll be somebody different

Let me stay here for just one more night

Build your world around me

You better pull me to the light...

So I can tell you that I was wrong

See, I was a child then

But now I'm willing to learn

But we had (4)_____ against us

And miles between us, the heavens cried

I know I left you speechless

But now the sky has cleared and it's blue

And I see my future in you

I'll be waiting

For you when you're (5)_____ to love me again

I put my hands up

I'll do everything different

I'll be (6)_____ to you

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll be somebody different

Time against us (time against us)

Miles between us (miles between us)

Heavens cried

I know I left you speechless

Time (7)_____ us (time against us)

Miles between us (miles between us)

Heavens cried

I know I left you speechless

I (8)_____ I (9)_____ you speechless

But I'll be waiting

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll do everything different

I'll be better to you

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll be somebody different

I'll be better to you

Fill in the gaps

Answer

1. swam
2. every
3. every
4. time
5. ready
6. better
7. against
8. know
9. left
