

## Fill in the gaps

### Set Fire To The Rain (Live) by Adele

I let it fall, my heart  
And as it fell, you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me  
My hands they were strong  
But my (1)\_\_\_\_\_ were far too weak  
To stand in your arms  
Without falling to your feet  
But there's a side, to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
And the games you'd play  
You would (2)\_\_\_\_\_ win, always win  
But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
When I lay, with you  
I (3)\_\_\_\_\_ stay there, close my eyes  
Feel you here forever  
You and me together, nothing is better!  
Cause there's a side, to you  
That I never knew, (4)\_\_\_\_\_ knew  
All the things you'd say  
They were never true, never true  
And the games you'd play  
You would always win, always win  
But I set fire to the rain

Watched it pour as I (5)\_\_\_\_\_ your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name  
Your name...  
I set fire to the rain  
And I threw us into the flames  
Well, it felt something died  
Cause I (6)\_\_\_\_\_ that that was the last time  
The last time...  
Sometimes I wake up by the door  
That heart you caught must be waiting for ya...  
Even now when we're already over  
I can't help myself from looking for ya  
I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out (7)\_\_\_\_\_ name  
Your name...  
I set fire to the rain  
And I threw us into the flames  
Well, it (8)\_\_\_\_\_ something died  
'Cause I knew that that was the (9)\_\_\_\_\_ time  
The (10)\_\_\_\_\_ time...  
Oh oh oh oh oh...  
Let it burn...  
Oh oh oh oh oh...  
Let it burn...  
Let it burn...

## Fill in the gaps

Answer

1. knees
2. always
3. could
4. never
5. touched
6. knew
7. your
8. felt
9. last
10. last
