White Flags (Live) by Dido

I know you think that I shouldn't still (1)_____ you
Or tell you that
But if I didn't say it, (2)_____ I'd still have felt it
Where's the sense in that?
I promise I'm not trying to (3)_____ your life harder
Or return to (4)_____ we were
But I will go down with (5)_____ ship
And I won't put my hands up and surrender
There will be no white flag (6)_____ my door
I'm in love and always will be
I know I left too much (7)_____ and
Destruction to come back again
And I caused nothing but trouble
I understand if you can't talk to me again
And if you live by the rules of "it's over"
Then I'm sure that that makes sense
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And when we meet

Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you (8)_____ think
That I've (9)_____ on...
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
But I will go down with this ship
And I won't put my hands up and surrender
There (10)_____ be no white flag above my door
I'm in love (and always will be)
