Our December by Thriving Ivory

I could see snow cover hills
You (1)_____ walking, I was standing still
I could feel the cold on my face
And we were (2)_____ like always
I could touch snow covered leaves
You were (3)_____ closer to me
I would play you a song out loud
Yeah, we could sing it 'till the year runs out
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were (4)_____ future in hand
A place to fly and a place to land
Now our (5)_____ will be sure to last
I said there'll be no rush for the year to pass
I remember (6)_____ covered white
And I (7)_____ a long tonight

Said our December will be littered with light
And I see you (8)_____ to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets (9)_____ white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember streets (10)_____ white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I see you walking to me
