People help the people by Birdy

God knows what is hiding

In those weak and drunken hearts

I guess you kissed the girls and made them cry

Those hard-faced (1)_____ of misadventure

God knows what is hiding

In (2)_____ (3)_____ and sunken eyes

A fiery throng of muted angels

Giving love but getting nothing back, oh

 (4)_____ help the people

And if you're homesick

Give me your hand and I'll hold it

People help the people

And nothing will drag you down

Oh and if I had a brain, oh and if I had a brain

I'd be cold as a stone and rich as the fool

That turned all those good hearts away

God knows what is hiding

In this world of little consequence

Behind the tears, inside the lies

A thousand slowly dying sunsets

God (5)_____ what is hiding

In those weak and drunken hearts

Guess the (6)_____ came knocking

No one needs to be alone, no singing...

People help the people

And if you're homesick

Give me your hand and I'll hold it

People help the people

 (7)_____ (8)_____ drag you down

Oh and if I had a brain, oh and if I had a brain

I'd be cold as a stone and rich as the fool

 That turned all those (9)_____ (10)_____

away

 People help the people

 And if you're homesick

 Give me your hand and I'll hold it

 People help the people

 Nothing will drag you down

 Oh and if I had a brain, oh and if I had a brain

I'd be cold as a stone and rich as the fool

 That turned all those good hearts away
