Guess it's something that the boys don't stop
When you think (1)_____ (2)_____
(3)_____ to get lost (4)_____ one night
I should remember all the lives I saved
Everytime I said I'm too hard to love
But tonight it's different
I can feel the summer coming on
And I stopped listening to this little
Voice inside my brain
Never mind too much fight
Too much fight, too much
Want to come around
I want you right now
I want you (5)_____ now
I want you right now
Want to come around
I want you right now
I want you right now
And you don't know how
My (6)_____ is breaking down
And the lights went out
Would you come around?
Would you take me out?
Come around, come around
Called the friends in (7)_____ we had
Asked where you at
Yeah, that's a good start
It feels so stupid to run in the dark
(8)_____ for this girl who can get me back
But tonight's different
I can feel the summer coming on
And I stopped listening
Never mind too much fight
Never mind too much fight
Never mind too much fight

Too much fight, too much
Want to come around
I want you right now
I want you right now
I want you right now
Want to come around
I want you right now
I want you right now
And you don't know how
My heart is (9)_____ down
And the lights went out
Would you come around?
Would you take me out?
Come around, come around
Words tried to come out then
But you shut them with your hand
Horses in the rain, horses in the rain
Words tried to come out then
But you shut them with your hand
Horses in the rain, travellers in the sun
Want to come around
I want you right now
I want you right now
I want you right now
Want to come around
I want you (10)_____ now
I want you right now
And you don't know how
My heart is breaking down
And the lights went out
Would you come around?
Would you take me out?
Come around, come around
