Everything has changed by Taylor Swift

All I knew this (1)_____ when I woke is
I know something now, know something now I didn't before
And all I've seen since 18 hours ago is
Green eyes and freckles and (2)_____ smile
In the back of my mind making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I (3)_____ want to know you better, know you better
Know you better now
I just (4)_____ to know you, know you, know you
(5)_____ all I (6)_____ is we said hello
And (7)_____ eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know (8)_____ yesterday is everything has
changed
And all my (9)_____
Stood tall painted blue
But I'll take (10)_____ down, take them down
And open up the door for you
And all I feel in my stomach is butterflies
The beautiful kind making up for lost time
Taking flight, making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I (11)_____ want to know you better, know you better

Know you better now
I just want to know you, know you, know you
(12)_____ all I know is we (13)_____ hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I (14)_____ since yesterday is everything has
changed
(15)_____ back and tell me why I'm
(16)_____ like

And meet me (17)_____ tonight
And let me know that it's not all in my mind
I just want to (18)_____ you better, know you better
Know you (19)_____ now

Because all I know is we said hello
And your eyes look (21)_____ coming home
