Thinking Out Loud by Ed Sheeran

When (1)_____ legs don't work (2)_____ they used
to before

And I can't sweep you off of your feet

Will your mouth still remember the taste of my love?

Will your eyes still smile from your cheeks?

Darling I will be loving you till we're seventy

And baby my heart could still feel as hard at twenty three

And I'm thinking about how

People fall in love in mysterious ways

Maybe just the touch of a hand

Well me I fall in love (3)_____ you every single day

And I just want to tell you I am

So honey now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Maybe we found love

Right where we are

When my (4)_____ all but gone

And my memory fades

And the crowds don't remember my name

When my hands don't play the strings the same way

I know you will still love me the same

Because honey your soul could never grow old

It's evergreen

And baby your smile is (5)_____

In my mind and memory

I'm (6)_____ about how

People fall in love in mysterious ways

And maybe it's all part of a plan

I'll just keep on (7)_____ the same mistakes

Hoping (8)_____ you'll understand

That baby now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Baby we found love

Right where we are

So baby now

Take me into your loving arms

Kiss me under the light of a thousand stars

Oh darling, place your head on my beating heart

I'm thinking out loud

Baby we found love right where we are

Baby we found love (9)_____ where we are

And we found (10)_____ right where we are
