

Fill in the gaps

Step one you say we need to talk	Where did I go wrong, I lost a friend
He walks you say sit down it's just a talk	Somewhere along in the bitterness
He (1) politely back at you	And I would (14) stayed up with you all night
You (2) politely right on through	Had I known how to save a life
Some (3) of window to (4) right	As he (15) to raise his voice
As he goes left and you stay right	You (16) (17) and grant him one
Between the lines of (5) and blame	last choice
And you begin to wonder why you came	Drive (18) you (19) the road
Where did I go wrong, I lost a friend	Or (20) with the (21) you've followed
Somewhere (6) in the bitterness	He will do one of two things
And I would have (7) up (8) you all	He (22) admit to everything
night	Or he'll say he's (23) not the same
Had I known how to (9) a life	And you'll begin to wonder why you came
Let him know that you know best	Where did I go wrong, I lost a friend
Cause (10) all you do know best	Somewhere along in the bitterness
Try to slip (11) his defense	And I would (24) (25) up with you
Without granting innocence	all night
Lay down a (12) of what is wrong	Had I known how to save a life
The things you've (13) him all along	How to (26) a life
And pray to God he hears you	How to save a life
And pray to God he hears you
