

Fill in the gaps

Midnight,	Laying out (15) lie,
and I'm a-waiting	thinking 'bout a (16) of crime
on the twelve-oh-five	That's what I'll have to do
Hoping it'll take me	to keep me away from you
just a (1) (2) down the line	Lovers, I know you've had a few
Moonlight,	But hide your heart beneath the covers
you're just a (3) in disguise;	and tell 'em they're the only one
Won't you keep my heart (4) breaking	And others, (17) know just
if it's only for a very (5) time	what I'm going through
Playing with the queen of hearts,	And it's a-hard to be a lover
knowing it ain't (6) smart	when you say you're (18) in it for fun
The joker ain't the only fool	Playing with the queen of hearts,
who'll do anything for you	knowing it ain't (19) smart
Laying out another lie,	The (20) ain't the only fool
thinking bout a (7) of crime	who'll do (21) for you
That's what I'll have to do	Playing (22) the queen of hearts,
to keep me (8) from you	knowing it ain't (23) smart
Honey, you know it makes you mad	The (24) ain't the only fool
Why is everybody telling everybody	who'll do anything for you
what you have done	Laying out another lie,
Baby, I know it (9) you sad	thinking 'bout a life of crime
But when they're (10) out the heartaches	That's what I'll (25) to do
you know you got to (11) you some	to (26) me away from you
Playing (12) the queen of hearts,	Playing with the queen of hearts
knowing it ain't really smart	(repeat and fade)
The (13) ain't the (14) fool	
who'll do anything for you
