

And Cobain can you hear the spheres

Fill in the gaps

Californication by Red Hot Chili Peppers

Psychic spies from China	Singing songs off (16) to station
Try to steal your mind's elation	And Alderaan's not far away
Little (1) (2) Sweden	It's Californication
Dream of silver screen quotations	Born and (17) by those who praise
And if you want these kind of dreams	Control of population everybody's (18) there and
It's Californication	I don't mean on vacation
It's the edge of the world	First (19) unicorn
And all of western civilization	Hard core (20) porn
The sun may rise in the East	Dream of Californication
At least it (3) in the final location	Dream of Californication
It's understood (4) Hollywood	Dream of Californication
Sells Californication	Dream of Californication
Pay your surgeon (5) well	Destruction leads to a (21) road
To (6) the spell of aging	But it also (23) creation
Celebrity (7) is (8) your chin	And earthquakes are to a girl's guitar
Or is that war (9) waging	They're just (24) good vibration
First born unicorn	And tidal waves couldn't (25) the world
Hard core (10) porn	From Californication
Dream of Californication	Pay your surgeon very well
Dream of Californication	To (26) the spell of aging
Dream of Californication	Sicker (27) the rest
Dream of Californication	There is no test
Marry me (11) be my fairy to the world	But this is what you're craving
Be my very own constellation	First born unicorn
A teenage (12) (13) a baby inside	Hard (28) soft porn
Getting (14) on information	Dream of Californication
And buy me a star on the boulevard	Dream of Californication
It's Californication	Dream of Californication
Space may be the final frontier	Dream of Californication
But it's (15) in a Hollywood basement
